Accord reached at Armstrong

On Monday, August 7, the Armstrong Cork Company and the Amalgamated Clothing and Textile Workers Union, Local 701, signed an agreement increasing wages, adding an additional sixth week of paid vacations for employees with thirty or more years of company service, and making major improvements to the pension and insurance benefits programs.

Niagara Mohawk earnings increase

For the 12 months ending June 30, 1978, earnings per share of Niagara Mohawk Power Corp. increased to \$1.84 compared to \$1.74 for the same period last year, announced John G. Haebl, Jr., president and chief executive officer.

Income available for common stockholders in the respective 12 month periods was \$185,288,000 in 1978 and \$186,365,000 in 1977. Despite including a full year's impact of previous rate adjustments for the 1978 period were about 20% below PSC-authorized levels.
