

Letters to the editor

To The Patriot:

A few years ago when the Pentagon was promoting a war in Vietnam, those who spoke against it, were labeled a communist. Now the same people are saying, "we should not have gotten into it but we must now protect ourselves from Cambodia."

Even though we were told by the Pentagon that the Communists were primarily responsible for our invasion of Vietnam, we were also told at that time that we should never bomb either China or Russia, only bomb the poor innocent women and children who wanted nothing to do with anybody except Vietnamese.

Now we are told that making a treaty with Russia and China is a great achievement. All the chauvinists are again waving their little American flags and calling anyone who is against Nixon's asinine treaty with Russia a "communist."

There is nothing more simple minded than a person who actually wants to be dumb. "The public loves to be fooled" said Barnum. How right he was. If there were a Gallup Poll taken tomorrow, I'll wager in

spite of the Watergate revelations, the two biggest takers viz. Nixon and Graham would rate #1 and #2 in the U.S. And we called the German people dumb to vote in Hitler as their "Fuehrer."

John U. Morris

To The Patriot:

In answer to the item "To Whom It May Concern" regarding the fact that Carp are polluting the river. These pollution crack pots had better get the facts straight.

Vultures are birds and they are carrion eaters - that is they keep the desert free of dead stinking animals. Carp do the same thing in the rivers and inland lakes. Much of the foul materials dumped into our waterways by man (raw sewage) is disposed of by carp.

Ken Foster

Children's program at First Baptist

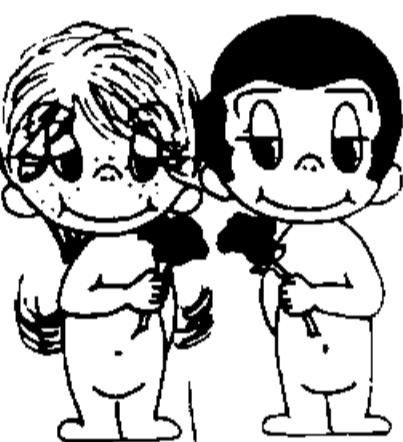

The summer version of "The Thursday Thing" got underway last week with 32 grade-school children registered. The first week's activity included a tour of the Niagara Mohawk Progress Center and a guided tour of Fort Ontario with a picnic lunch and recreation at Scriba Town Park.

During the school year, this program was carried on each Thursday after school, as a ministry to neighborhood and church children. Activities included making tray favors for Lee Memorial Hospital, singing and playing resonator bells, as well as crafts, recreation, stories, and refreshments. An average of 30 boys and girls have attended, under the leadership of Mrs. Russell Petrie.

Activities during July will include a day with the naturalists at Beaver Lake Nature Center, Fair Haven State Park, and Nestle's Park for an outdoor day-camp program.

The summer program will be aided by Mrs. Thomas Butler, Mrs. William Conn, Miss Robin Fuller, Kenneth Butler, and Rev. Russell Petrie, assisting Mrs. Petrie. Others in the church will be helping with transportation and in various other ways.

Love is...

... a rose for giving ... and forgiving.
