YMCA PROGRAMS FOR CHILDREN & ADULTS

Santa stops at places where people are nice not naughty. At the YMCA people do things that are good for them. Whether it is learning in Kinder Kollege or taking an Aerobics class, the YMCA manages to improve an individual's self-esteem. Stop by the YMCA and find a program to suit you or a friend. Gift certificates are available at the front desk. A great way to let someone know you care about their health. This holiday season a "Fitness Factory - 6 week special" is being offered. It begins January 6th. Try the "Y" and see the results. An "Open House" will be held January 5th, 1-4 p.m. Bring your swim suit and go for a drop!

*Merry Christmas and Happy New Year
