Special tee for tourney

Community leaders are finalizing plans for the first Oswego Hospital golf benefit scheduled for Sept. 16 at the Oswego Country Club. Pictured above, left to right: Gary Bock, Daniel Mather and John Dickquist with one of the special tees and greens sponsorships, supported by area industry, businesses and individuals. An evening restive buffet, open to non-golfers, is planned following the tournament. The committee emphasized it is not necessary to be a member of the country club to participate in either the tournament or buffet; however, tickets are limited and early reservations are suggested.
