Aging Director Appointed

Arthur Ospelt, Oswego County Legislative Chairman, announces the appointment of Ms. Regina King as the Director of the County's newly created Office For the Aging.

Known to both family and friends as Jean, Ms. King was born in Hornell, New York, but was raised in Oswego. She attended the city school system and went on to receive an Associate's Degree from Maria Regina College, Syracuse and a B.A. in Sociology from LeMoyne College, also in Syracuse. She has done some graduate work at Villanova, University, Villanova, Pennsylvania.

After college, Jean was an elementary school teacher in the Syracuse area for ten years. After that, she was employed by Oswego County Department of Social Services as an Examiner in the Medicaid Division until she was promoted to a Caseworker position.

She initiated the Social Service Program at A.L. Lee Memorial Hospital, Fulton and became its Director. Most recently, she had been employed by Oswego Catholic Charities as a Supervisor/Social Worker.

Ms. King is a member of the New York State Association for Human Services, Inc., a member of the Oswego County Task Force to improve transportation for the elderly, and she is a Notary Public.

She lists as her interests, reading, bowling, sewing, crocheting, travel and musical entertainment. She is presently taking up the game of golf.

Ms. King is the daughter of Mr. & Mrs. H. Robert King of Oswego.

Meeting To Plan Bazaar

The positions of buttons on clothing was once a matter of life and death, World Book Encyclopedia reports. During the Middle Ages, men's buttons were changed to the right side so that they could unbutton their coats quickly with their left hand and draw their sword with their right.

The first of many organizational meetings for the annual Catholic High Bazaar took place this past May 31st with the Booster Club members and invited guests present.

There will be another meeting on Mon. June 13th at 7:30 p.m. at Bishop Cunningham High School Library.

We have new ideas and new enthusiasm all we need is additional new volunteers.

If you'd like to be a part of the activities or find out what's "magical" about a bazaar then satisfy your curiosity by contacting Dennis Feeny President of the Booster Club or Father Lorenz, principal of B.C.H.S. Better yet, plan to be at our next meeting for a personal glimpse of what promises to be a bigger and better bazaar.
