Comets End Season in 5-1 Defeat at Baltimore

College Fives Produce Champions, Upsets

NEW YORK, Mar. 5 (AP)— The last big weekend of the college basketball season produced five conference champions and several upsets, but it left the winners of two league races still undetermined.

By dint of their own efforts Saturday night, Kentucky wrapped up the Southeastern Conference title, West Virginia won the Southern Conference crown, Oregon State the Pacific Coast Conference title and North Carolina State took Atlantic Coast Conference honors. Idle Iowa was returned the Big Ten winner when Wisconsin drubbed runner-up Minnesota.

Except for North Carolina State, which is ineligible to play in the NCAA tournament, the four other titleholders qualified for the 24-team scramble which gets underway Tuesday in New York, San Francisco, Oklahoma City and Lexington, Ky.

West Texas State also gained a berth in the big tourney when it won the flip of a coin from Texas Tech. The teams finished in a 9-3 deadlock in the Border Conference race.

It will take an extension of the regular schedule, however, to decide the Ivy and Missouri Valley titleholders.

Pennsylvania, the Ivy League leader most of the season, was knocked off by Princeton while Columbia whipped Brown. That left Penn and Columbia tied with 10-4 records and Princeton with 9-4. The Quakers and Lions will meet in a playoff game Monday night and should Princeton beat Brown in its remaining game Monday night, the Tigers will play the Columbia-Penn winner Wednesday for the championship.

Victories by St. Louis and Tulsa Saturday night also left the Missouri Valley race in a flat-footed tie but a conference committee noted against a playoff and named Tulsa to play in the NCAA. St. Louis moved into the National Invitation Tournament which starts in New York Saturday.

Kentucky combined a torrid shooting attack and a terrific job on the boards by Bob Burrow and Jerry Bird to crush Tennessee 104-61 for its 22nd victory against two losses. The Wildcats, who clinched their 16th SEC crown, took a 13-point lead at the half and had it easy the rest of the way.

West Virginia had to go into overtime to trip George Washington 58-48. Rod Hundley, who wound up with 30 points, personally beat the defending champion Colonials by scoring five straight points in the extra session.

Oregon State came from behind in the second half to defeat UCLA for the second straight time in their best-of-three playoffs. Swede Halbrook, a mere 7-3, had 30 points for State, who finished on top, 83-64.

North Carolina State also had to come on with a second half rush to whip Duke 87-77. The Woldpack trailed by four points at the intermission. Because of NC State's ineligibility, Duke will represent the conference in the NCAA.

Wisconsin's Dick Miller, with 27 points, blasted Minnesota's hopes as the Badgers took a 78-72 decision. Iowa, the benefactor of Wisconsin's surprising performance, thus won its first Big Ten title since 1945.

Princeton had a rather easy time of it against Penn, winning 65-47. The Tigers took the lead in the 10th minute of the first half and pulled steadily away.

Columbia trailed by nine points at the half, then poured it on in the final 20 minutes to nip Brown 75-68. As usual, little Chet Forte was the big gun for the Lions, this time with 24 points.

Tulsa solved Wichita's tough zone defense for a 77-62 victory and St. Louis, led by Dick Boushka's 28 points, smashed Oklahoma A&M 71-59. Both winners finished with 8-2 marks in conference play.

In other games, Notre Dame snapped Marquette's 22 game winning streak, 85-64, with Jack Stepehs of the Irish doing most of the damage with 35 points. Williams, an NCAA entry, downed Amherst 53-48; Niagara, playing under pressure of a bribe offer made to its star, Charley Hoxie, whipped Canisius 80-63; Michigan State drubbed Michigan 83-68 in the nationally televised Game of the Week and Alabama edged Auburn 84-80.

Canada Gains Hockey Crown

KREFELD, Germany, March 6 (AP)—The Penticton Vs, a rugged, sharpshooting team from British Columbia, won back the world amateur ice hockey championship for Canada today by completely outclassing Russia's defending titleholder 5-0, in a cleanly played game.

Led by Bill Warwick, a one-time member of the New York Rangers of the National Hockey League, and Mike Shebaga, the Canadians gained revenge for their 7-2 loss to the Soviets in Stockholm last year.

The victory, which gave Canada its 15th world title, was far easier than anyone had anticipated. The favored Russians tried only one attack pattern and when this failed their offensive maneuvers slowed down to a walk.

Warwick and Shebaga each scored twice; although one of Warwick's goals was tainted. He was credited with a tally when a Russian player accidentally deflected the disc into his own net.

A capacity crowd of 8,000, including about 1,500 Canadian soldiers stationed in Germany, watched the spirited action and many of them shouted "Go V's" and the Canadians did. They scored in every period and outhustled the Russians most of the way.

Canada finished with an unblemished record in eight games while Russia wound up with 7-1.

After the dramatic victory, fans poured onto the ice and hugged the Canadians. The players were jumping wildly about, hollering and singing. Meanwhile, the Russians grimly left the ice, their coveted crown gone and with the prospect of having to wait at least until next year's Winter Olympics in Cortina, Italy to regain it.

Commission to Discuss 'Illness' of Sugar Ray

BOSTON, March 6 (AP) — The Massachusetts Boxing Commission will meet tomorrow to discuss Boston's latest snafu — Sugar Ray Robinson's last-minute pullout from last night's scheduled 10-round bout with Georgie Small of Brooklyn.

Robinson, onetime welterweight and middleweight king attempting a comeback, withdrew from the bout, complaining of a sore throat and virus symptoms which he said made him too weak to appear.

Promoter Sam Silverman of the Callahan A. C. contends that Robinson ran out on him.

Two physicians, Dr. Edwn Hombel of the State Boxing Commission and the house doctor at the hotel where Sugar Ray was staying, both examined Robinson and said:

"We found no temperature and no evidence of illness or injury to warrant a postponement."

George Gainford, Robinson's manager, said he is willing to fulfill obligations to the Callahan A. C. He said Robinson can reschedule coming fights with Ted Olla in Milwaukee and Johnny Lombardo in Cincinnati and meet Small in Boston.

But Silverman said he wants Robinson suspended. He figures his losses on the cancellation at $3,000 for advance promotion and arrangements, a $500 advance to Small for expenses and an advance to Robinson.

Robinson, on the other hand, feels he owes nothing, that his illness could not be helped and that he acted in good faith all the way through. He said he thought it would be taking too big a risk entering the ring weak and feverish and having trouble breathing.

Robinson was to have received 30 per cent of the receipts for the Boston Garden bout. The advance sale was around $4,000 and the door sale was not expected to amount to much because of extremely bad weather—heavy rain that followed a snowstorm.

Drop 35th Tilt Of 74 Played In 2 Leagues

By ED ATWATER

(Hockey Writer for the Baltimore Sun)

BALTIMORE — The hockey season for the Clinton Comets ended as they bowed 5-1 to the Baltimore Clippers last night at Carlin's Iceland, dropping their Eastern League semi-final playoff series, three games to one.

Baltimore, which finished fourth in the league standings while Clinton won the pennant, will now face the winner of the Washington-New Haven series.

Last night's game was the 74th for the Clinton sextet which won 35, lost 35 and tied four. Ed Stanley, manager of the Clinton Arena, said last night that the team would return to Clinton and disband. The final hockey activity will be the completion of the "Beat the Chill" campaign at the opening night of the annual ice show, Mar. 25.

Gerry Sullivan, who scored two goals for Baltimore in each of the first two games of the series in Clinton, was the scoring ace for the Clippers again last night, as he potted three tallies. The lone Clinton marker came in the third period and was scored by Angie Defelice.

The Clinton squad was augmented for the final game by Greg Batt whose Hamilton College team was in action Saturday night. Batt flew to Baltimore yesterday to take his place in the starting lineup.

The largest Baltimore crowd of the season, 2,214, applauded Sullivan for his three-goal hat trick.

The rampaging Clippers rolled up a 3-0 lead before the visitors came through with their lone goal early in the third period.

A key score that appeared to break Clinton's back came in the second period. With two Comets and a Clipper in the penalty box, the local club, moving to the attack in slow, deliberate fashion came through with the goal just three seconds before the sides were even.

It was one of the few times this season that the Clippers were able to take advantage of an extra man situation. Bibber O'Hearn, Saturday's star with three goals, bore down fast on Goalie Doug Coxon, faked a shot and flipped the puck to Sullivan on the left side and he stuck it into the net.

That made it 2 to 0 and Clinton then seemed to slack off a little although there were some anxious moments for local fans.

Just after the third period opened, Bob Taylor and Defelice combined to make it 3-1 in a play that looked amazingly easy. Taylor passed across the ice to Defelice, who faked Goal Grant Butler out and slipped the puck past the goalie's sitting form. But Hervie LaLonde got that one right back for the Clippers as he stole the puck from a defenseman directly in front of the Comets net. Coxon had no chance to make a move for LaLonde's hard shot that went over his right shoulder.

Sullivan got his third counter with less than three minutes left in the game. He took the puck over the blue line, slipped to Gordie Warner on the right side and then took Warner's return pass at the left corner and jammed it into the nets before Coxon could shift over.

It looked like O'Hearn was at it again when he opened the scoring in the first period. He got around the defense on the right and then angled a shot into the left corner.

In the second period, three players went to the box at the same time. Ed St. Louis and Marv Thomson were sent off for roughing while Jack Timmins left for cross checking which had no relation to the other battle.

Sullivan's persistence paid off to put the Clippers into a 3-0 lead with 57 seconds to play in the second period. He kept hammering at the puck at Coxon's feet and finally it went in.

LaLonde, the game's leading point maker, with a goal and three assists had a big hand in the play. While tangling with a Comet defenseman and with his back to the goal, LaLonde managed to get off a pass between his own legs to Sullivan.

The summaries:

Jersey Quint Defeats Watchmakers, 33-27

By BOB McNALLY

Basketball, in wheelchairs, as exhibited by the Bulova Watchmakers and the Jersey Wheelers before a disappointing crowd of about 500 fans at the UFA gym yesterday, proved to be as exciting and interesting as any performed by the more fortunate players who have the use of their limbs.

The Jersey Wheelers after being behind most of the contest came through in the last quarter to edge the Watchmakers 33-27. Pete Yorkus, Jersey paraplegia, led the winners with 14 markers although the hero of the contest was Jack Gerhardt, who played with the original paraplegia team at Hollaran Hospital, as he brought his mates from a 27-28 deficit in the final seven minutes of play scoring five points to ice the game for the Wheelers. Billy Kennedy, Bulova speedster, garnered 12 for the losers.

The paraplegia veterans amazed the fans with their unusual accuracy in shooting and the execution of their plays. Each team set up defenses with the chairs that often proved hard to penetrate.

The Kennedy's, Billy and Don, gave the Watchmakers a 5-0 lead in the first two minutes. Bill made good on two set shots while Don added a free throw. The Wheelers found the Bulova defense quite tight as time and again their chances of scoring were thwarted by the Watchmakers. Yorkus managed to get two goals for the winners in the first period but that was all and at the end of the canto Bulova lead 12-4.

The Watchmakers were unable to do any scoring in the second quarter's first eight minutes as the Wheelers with Yorkus and Vince Wagner, who lost his left leg due to shrapnel wounds, doing the brunt of the point making. At the 8:00 mark Maurice Brooks put the Watchmakers back in command as he swished the cords with a set shot. Bill Kennedy and Tom Davis increased the margin and at the half Pete Yoakim dunked one as the horn sounded, making the count read 17-14 Bulova.

The program was sponsored by the Disabled American Veterans under capable handling of Mike Marrone, commander, and Peter Ragian, who served as chairman. Proceeds will be used to further rehabilitation and services of the physically handicapped. A donation also was made to the Mohawk Valley Workshop for the Handicapped and accepted by its chairman, Edward Nagel. Ralph Allinger served as announcer and introduced Ben Lipton, Watchmaker mentor, and Bob Plump, Wheelers guiding hand. Mayor Golder threw up the first ball.

With neither team getting off many shots in the third period, each squad tallied eight points to have the Watchmakers maintain its three points edge 25-22 as the period closed.

In the last period the lead changed hands twice before Gerhardt tossed in a two pointer to give the Wheelers a lead which they never relinquished. The performances of all the players was loudly applauded as the plucky cagers fought right down to the last whistle as the paraplegics asked no quarter and gave none in the highly spirited contest that proved to be well worth the viewing.

Bendino Hits 721 Pin Total

Nick Bendino joined the long line of Utica bowlers who have entered the charmed 700 Club this season when he scorched a 721 series for the Dairy Maid team of the Palace All Star League yesterday.

One of the area's top keglers for the past five years, Bendino, who holds a 195 average, throws an out-and-in ball which ends in a sharp breaking hook.

Opening with 238, he followed with 246 and ended with 237. In the steady performance he had no open frames, totaling 23 strikes and nine spares. He sandwiches four strikes between two spares in the opener and followed with a spare-strike-spare double. Five strikes started the second game. Two spares, two strikes and a spare in the final frame completed it. Bendino, going into the finale with 484, showed disdain for 700 pressure by opening and closing with triples. In between he was in the pocket for a spare-double-spare-strike and spare.

Bendino, who also rolls in the Classic and All-Star Leagues at the Royal, paced his team to a 2-1 victory over the W. White Fuel Company outfit.

The season's top 700 score is held by George Brown at 737.

Bendino first joined the 700 club with a 746 count, later he had a 703 series and in January '54, cracked a 713 count. All three were at the Royal layout.

Added Delay For Basilio

By LEN WILBUR

Carmen Basilio will have to wait at least until Apr. 29 to get that long awaited shot at the welterweight champion.

This became evident over the week end when it was announced that Champ Johnny Saxton had signed to battle Tony DeMarco on the Callahan A. C. card in Boston Apr. 1, in a 15-round title bout.

Matchmaker Sam Silverman announced that Saxton is guaranteed a return match in 90 days if he loses to DeMarco.

Basilio was in Boston over the weekend and is understood to have agreed to let the title bout go on without any argument with the provision that the winner of the Apr 1st bout meets him in Syracuse Apr. 29.

The International Boxing Club has no part of the Boston promotion but it will handle the Syracuse bout. In the meantime the IBC is planning a TV card in Syracuse Apr. 1 with Chico Vejar or Ezzard Charles possible headliners.

Utes Victors In Pin Test

The Utica No. 2 team, which was entered at practically the last minute, Saturday won the first annual Central Division Kiwanis bowling tournament at the Palace Alleys, rolling a total of 2846, aided by a 492-pin handicap.

Frankfort was first called the winner of the tourney by nine pins, but a recheck of the scores by Tourney Chairman Bill Cochrane found a mistake of 20 pins in the Frankfort score and the Uticans were declared the victors. Frankfort finished second with 2839 and Rome No. 2 third with 2820.

Larry Goldbas paced the winning Uticans with 564 and Dominick Zito, who hit 588 for Frankfort, won the trophy for the high 30 frames with handicap, getting 657. Leo Mengel of the Utica No. 2 team won the high single game award with handicap, rolling 245 with a 41 pin handicap.

The trophy will be presented the Utica team at the club meeting Wednesday noon.

Santee Has Houston Date Against Dwyer, McMillen

NEW YORK, March 6 (AP)—Wes Santee will toe the mark in Houston Tuesday against Fred Dwyer and Bob McMillen, a couple of his old sparring partners, but there won't be any records hanging in the balance.

"No, sir," said the lanky Kansas cowboy today. "I'm going to run just to win down in Texas. If a record happens to come about, that's fine. But I won't be trying for one."

"You bet he won't," said one high ranking Pan-American Games official. "We want the boys just to get a good workout in Houston. Why knock themselves out before the games."

Santee is the latest member of the team for the games, which get under way March 12. First he was on the team, then off, then on again. He first told the AAU he couldn't make it if he were not permitted to report late. The AAU said "No" so he withdrew. Now in the AAU says "Yes" so he's back in good graces.

Santee, who won the mile in the Columbus Games Saturday night in Madison Square Garden — the second slowest clocking of the season—will race in the Milwaukee Journal Games next Saturday and then he'll be shooting for the world indoor record of 4:03.6, currently held by Denmark's Gunnar Nielsen.

Joe Gaffney of the Shanahan Catholic Club of Philadelphia gave the 10,000 spectators their biggest lift in the finale of the New York season. He whipped three of the fastest speed merchants in the business in winning the 600 in 1:12.1. Mal Whitfield almost caught him at the finish but he fought off the world record holder nicely. Reggie Pearman was third and Charlie Jenkins fourth.

Harrison Dillard won the 60-yard hurdles for the sixth year in a row in 7.2 and Art Bragg of Baltimore took the 60-yard sprint in 6.3. Ron Felany of Vallanova won the 1,000 in 2:10.1. Horace Ashenfelter captured the two-mile, as usual, in 8:56.6 and Bob Richards was No. 1 man in the pole vault, soaring 15-4½, a new meet record.

Storms' Rink Captures Dykes Trophy

SCHENECTADY—Stan Storms' Utica No. 1 rink, which Saturday registered an eight-end, won the Dykes bonspiel here yesterday by defeating Ardsley No. 2, 9-8.

Ardsley reached the finals by ousting another Utica rink, skipped by Bob Hurd, 11-10. Storms skipped his team into the finals with a 14-9 victory over Caledonian.

Wally Sweet of the championship team had to return to Utica and for the title match, Clark Moore led off for the Storms-directed team. Other players were Dick Blanchard and Bob Burchesky.

On the Hurd team were Art Cobb, Herb Steinhorst and Moore.

Boston Captures Pee Wee Honors

BOSTON, March 6 (AP)—Paced by Dick Hickey's two goals and an assist, Boston became National Pee Wee Hockey champions today, defeating a highly regarded Duluth, Minn., team 3-2 at Boston Arena.

Duluth, whose teams twice before have won the national title, peppered Boston goalie Phil Doherty with 26 shots, but only two tallied. Duluth's nettender Ed Sodergren had nine saves.

Earlier, Lynn, Mass., and Evils Lake, Minn., played a 1-1 tie in a game marked by two 5-minute overtime periods.

In this morning's consolation contest, International Falls, Minn., snowed under the New Haven, Conn. entry 9-1.
