

The Reverend and Mrs. Herbert Loomis were Sunday callers at the home of Reverend and Mrs. N. James Polnoy at Bowens Corners. Mr. Loomis was formerly a pastor in that community.

Mr. and Mrs. William Dingle were Sunday evening visitors in Oswego.

Mr. and Mrs. Edward Zube of Liverpool called on Mr. and Mrs. Fred Jones of West River Road, South last Sunday.

Bob Chapman and Hank Conlin of West River Road, North played hermit for the weekend and went up to Chapman's camp near Redfield to hunt deer. We heard the usual hunters' alibis.

Mr. and Mrs. Leonard Fowler and children spent Sunday with her parents, Mr. and Mrs. Henry King of the Hannibal Road.

Mrs. Chester Finck of Dexterville and Mrs. George Finck of Granby Center have been selected to represent their home bureau unit at Mexico next Monday for a lesson on Christmas Decorations.

You are all invited to attend the song fest at Bowens Corners church this Sunday night. A male quartet from Little Utica will be the feature attraction. Time, 7:30 pm.

There will be a covered dish supper at the Fire Hall in Granby Center some night soon (within the next two weeks). We need some leaders and assistants for these suppers. Who will volunteer?

We understand the Harold Lunds of Dexterville have sold their home. They bought the former Eckard farm but have been our neighbors for such a short time we've really hardly had time to become acquainted with them. We're sorry to know they're leaving but we wish them luck and hope they'll take with them some fond memories of this township.

The local schools are having a double holiday this coming week. Armistice Day comes on Tuesday, so the children are being given Monday off, too. Oh to be a kid!

Mrs. Cosgrove, the teacher at Dexterville, gave her children a Halloween party last Friday afternoon. It was a surprise for them. They played games and had cake and ice cream for treats.

Bea and Marsh Walrath of Granby Center are spending the weekend in Philadelphia. We heard it was a business trip but we bet Bea will "do the stores."
