The following release is from the Community Men's Club: "The children of the Oswego County Children's Home were given a happy Christmas by the Community Men's Club of the First Congregational Church of Fulton. This is an annual affair of the club and this year was about the best ever. There were two truckloads consisting of 100 pounds turkey, bushels of Christmas candy and nuts, crates of oranges, grapes, apples, bananas, bacon, hams, cakes, and rolls, 11 sleds and quantities of toys and games, 200 pounds writing paper, 2 gross pencils and a great many other items. The committee who handled the affair consisted of Robert MacIntyre, Chairman, Garnett Allnutt, William Dingle, Jr., George Long, Henry Ford, and Harold Andrews. Charles D. Chesbro is President of the class. The club wishes to extend heartfelt thanks in behalf of these unfortunate children to the many people and firms who through their generosity helped to make this such a happy occasion." And may we add the Community's thanks to the club for the good work they do.
