Q and A YOUR SAVINGS BOND QUIZ

SAVINGS BOND QUIZ

Question:
Since I have no relatives, how do I go about naming my church as the beneficiary or co-owner of the Savings Bonds I own?

Answer:
Unfortunately, you can't. Regulations provide that bonds issued in either case must name natural persons only. But you could write a will leaving the bonds to your church. Bonds may, of course, be purchased by you in the name of the church as sole owner.

Question:
Several months ago, someone wrote to inquire about the then current value of a \$1,000 Series E Bond bought in June, 1942. I don't have a \$1,000 bond, but I do own several \$100 bonds bought the same month. What are they worth?

Answer:
Each of your \$100 bonds bought in June, 1942, will be worth \$161.64 in December, 1966. As you will realize, that is quite a bit more than the \$75 you paid for each of them.

Question:
Back in the early 1940's, my aunt bought a number of Series E Bonds in various War Bond drives. We came across them the other day while helping her clean out some papers. Are they any good?

Answer:
Just as good as the day she bought them; even more so, because interest has been accruing on them since that day and is continuing to accrue. No E Bond ever sold has stopped earning interest.

Don't Forget - - - Inspection, Too!

Fifty per cent of applications for renewal of motor vehicle registrations expiring December 31 throughout New York State are being rejected because owners are failing to have their vehicles inspected as required by law, Motor Vehicle Commissioner William S. Hults said today.

Urging motorists to have inspection made before renewal, Commissioner Hults said failure to do so would hold up issuance of registration renewal.

A new law enacted in 1966, which revised a law in effect since 1957, requires that all new vehicles, as well as old, be inspected once every 12 months. Beginning with December, this must have taken place within the 12 months prior to renewal.

The Motor Vehicle Department has set up a schedule of

inspection deadlines effective until July 1, 1967, based upon registration expiration and age of vehicle.

A new inspection system is expected to be in full operation by July 31, after which any vehicle can be inspected any time the owner elects, as long as it is done in a 12-month period.

Proof of inspection is obtained at any of the approximately 9,000 licensed inspection stations scattered throughout the state. The inspector stamps the vehicle owner's registration renewal stub and, if the vehicle passes inspection, affixes a stamp to the windshield. The stamp tells when the next inspection is required.

Nancy McGlen Joins Honorary Society

For high scholastic standing during her freshman year at Ithaca College, Nancy E. McGlen of Hannibal has been initiated into Zeta Sigma Nu, national honorary society.

Miss McGlen, a sophomore Government major, is the daughter of Mr. and Mrs. Lyle F. McGlen, Hannibal.

Direct Hearing

A recent invention now makes it possible for tens of thousands of people to enjoy hearing again in the same manner that nature intended.

Prescription made, molded individually and built entirely and completely into the ear itself. Nothing in eyeglasses, nothing behind or in front of the ear. No buttons, no wires, no tubes.

The invention is called Ear-Mate, and is a miracle come true for those people who have trouble understanding.

MEMOS FROM YOUR Stylist
BY: LINDA HALSEY CARY
In the course of applying make-up, some women appear to forget or ignore a few basic fundamentals. Keep in mind, for instance, that lighter make-up tends to bring out the area it's applied to. Conversely, areas one wishes to show less prominently, are shaded with darker make-up. Remember, too, to use a light touch to avoid the heavy, splotchy clown-like effect of make-up applied too vigorously.
Something else to remember when it comes to attention to your hair is our salon. Whether it be tinting, styling, or a permanent given by careful, experienced operators, you will discover that your hair can truly become your crowning glory at **CROWNING GLORY BEAUTY SALON**, 209 Oneida St., Fulton . . .
