

Run for Your Health in 1979

The Fulton YMCA is forming a Running Team which will begin Jan. 9 under the experienced supervision of Bob Bartholomew and Debbie Schols. The Y Running Team is open to anyone with a minimal "Y" membership. The organizational meet-

ing for the team will be held Jan. 9 at 7 p.m. at the Fulton YMCA. The meeting will include discussion of shoes, running courses, cold weather running, and preparation for team activities. The team will be open to members of all ages and running

abilities.

One of the events in which the team will participate is the February Winter Run at the Winter Carnival. All interested members are invited to the first meeting Jan. 9 at 7 p.m.

ON YOUR MARK— Discussing the type of shoes to wear when running will be only one of the topics to be covered when the Y Running Team holds its organizational meeting Jan. 9 at 7 p.m. In the above photo are Bob Bartholomew and Debbie Schols, organizer of the new team.

Children's Christmas Fund A Success

The Christmas Children's Fund of the Oswego County Department of Social Services played Santa Claus to over 1,200 needy children in Oswego County this year, according to Rupert J. Collins, commissioner of Social Services.

The fund, which is administered by Social Services employees on their own free time, provides Christmas gifts for foster children and needy families each year.

There are no funds avail-

able through Social Services for Christmas presents, so any such gifts must come through Social Services for Christmas presents, so any such gifts must come through donations.

According to Louise Clark, who administers the program, every family seeking help was provided with gifts.

Even on the last working day before Christmas, she noted, three families sought gifts and were provided with help.

"We couldn't have brought Christmas to these children without the donations of the many individuals and organizations who helped," Clark noted.

Clark was assisted in coordinating the effort by Edith Marsden who also served as liaison to the Holiday Heartline Program.

Commissioner Collins expressed thanks to the public "for their generous response to the Christmas fund appeal."
