Uses Love Seat for Baby

Pam Abraham, the new chairwoman of the Fulton Jaynees "Buckle Up Babes Program," announces a new phone number (593-6402) to be used for reserving the General Motors Infant Love Seat. In addition, there is a slight increase in the rental fee. The Love Seats are recommended for infants from birth through twenty pounds, and exceed the current safety standards. Abraham recommends that expectant mothers call in advance of due date to insure the availability of a seat. Above Pam tries out the fit on her daughter, Michelle.
