

At a term of the Surrogate's court held in and for the County of Oswego at the Surrogate's Office in the City of Oswego N.Y. on the 21st day of April 1902  
Present, Hiram S. Mead Surrogate

Surrogate's Court, Oswego County  
In the matter of proving the last will and testament of  
James Bentley deceased

Satisfactory proof having been made of the due service of the citation heretofore issued in this matter requiring all persons entitled to notice in this proceeding to be and appear before me to attend the probate of the last will and testament of James A. Bentley late of the town of Albion, Oswego County deceased, bearing date the 31st day of July, 1900.

And Orson H. Bentley, the executor named in said last will, the petitioner herein, having appeared by his attorney Irving S. Hubbs of Pulaski, N.Y. in support of said will.

And H.C. Huntington, Esq. attorney at law of Pulaski, N.Y. having been duly appointed by this Court Guardian Ad Litem of the infant parties herein, to wit James A. Bentley, Samuel A. Bentley, Isaac L. Bentley, Jr., William H. Bentley, Ora E. Bentley, John P. Bentley and Ana Bentley.

And Sarah A. Hall and Isaac L. Bentley having appeared herein by their attorney John W. Shear, Esq. of Syracuse, N.Y. in opposition to the probate of said will.

And witnesses having been examined & sworn to as to the facts and circumstances touching the execution of said will, and the compliance of the testator to make the same and his freedom from restraint and the Surrogate having heard such proofs and the allegations of the respective parties; and due deliberation having been thereupon had and the Surrogate having heretofore made his findings of fact and conclusions of law thereupon.

It is now adjudged, and decreed:

First - That the instrument in writing bearing date the 31st day of July, 1900 propounded as and being the last will and testament of the said James A. Bentley, deceased, in this proceeding is the last will and testament of the said James A. Bentley, deceased, and now duly executed as required
