

and more if she should need it: Also I give her all the household furniture this sum  
-two and the one hundred Dollars as above stated which my wife is to have yearly in  
-pence in her in Consideration of her right of Dower.

To Albert M. Galtins my eldest son I give and bequeath fifty Dollars to make  
-him equal with his other two brothers, Asahel B. and Daniel.

I give and bequeath to my second daughter Martha J. Galtins fifty Dollars  
-Also give and bequeath to my third daughter Elizabeth Galtins seventy five  
-Dollars. This will make Martha and Elizabeth equal with what I have given Susan Galtins  
-her eldest sister.

I also give and bequeath twenty five Dollars to purchase Grave Stones to set on Charles W.  
-Galtins grave now deceased my second son.

I also give and bequeath to his two daughters Eva Evange five and Adelia Maria twenty  
-Dollars each. The above sum forty Dollars which I have given to Charles W. Galtins two  
-first is not to be paid until a final settlement is made with all of my heirs. When it  
-shall be paid over to Albert M. Galtins for the safe keeping of the same and he  
-may put it on interest if he thinks best. If they should die before they come of age  
-then the said forty Dollars shall be divided equally amongst my several heirs  
-And if they should live until they become of age then the said Albert M. Galtins  
-shall pay over the above sum to said heirs together with interest if there shall  
-be any interest.

As respecting the personal property and the Real Estate, I would advise to sell  
-the personal property as soon as it can be sold to advantage and the farm too.

If the farm cannot be disposed of to advantage then my advice would be to rent it to  
-some good man until it can be sold: and I hereby authorize and direct my Executor  
-to sell and copy my Real Estate when in their judgment it is for the best.

After the above amount of money is reckoned or taken out of my Estate which I  
-have given to Albert M. Galtins and Charles W. Galtins and his heirs and what I have  
-given to Greenish Galtins my wife also what I have given to Martha and Elizabeth shall  
-be taken out of my Estate then as to the remainder of my Real and personal Estate goods  
-and Chattels of what kind and nature soever shall be divided between my heirs in the  
-following proportion: My male heirs, Albert, Asahel B. and Daniel G. shall have  
-eight Dollars while my female heirs Susan, Martha and Elizabeth shall have seven  
-Dollars and in that manner shall my property be divided when the farm and  
-personal property is sold.

Out of Daniel H. Galtins share or portion which I have given him I want through  
-to have out to pay a note that I have signed with him to Jesse W. Galtins. The note was  
-dated June 3rd 1860. I believe that the note was about \$56. That and the interest where  
-paid I want to be taken out of Daniels portion that he is to have that I have willed to  
-him.

I do nominate and appoint my beloved wife Greenish and my eldest son Albert to be my  
-Executors or Administrators of this my last Will and Testament.

In witness whereof I hereunto set my hand and seal and publish and declare this to be my last  
-and true Testament in presence of the witnesses named below this seventh day of October in the year  
-our Lord One thousand eight hundred and sixty one.

The above Instrument of One Sheet was at the date hereby referred to by the Testator  
-Asahel Galtins to the his best Will and Testament cited he then acknowledged to each of us  
-that he had subscribed the same and we at his request signed our names hereunto as  
-attesting witnesses.
