Announce an Important showing of Misses' and Girls' Costumes, Dresses, (lowers, Wraps, imported from the most noted Foreign Makers, and an exhibit of Exclusive Models for the Fall and Winter Season.

Particular attention is directed to the quality of the materials, the softness of the colorings, and the exquisite effects.

Many of the most charming effects cannot be duplicated later in the season—some not at all—which makes an early selection advisable.

Critical Inspection and comparison cordially invited.
