NO GERMAN PEACE TERMS.

Again we have sentences of peace terms which we may or may not believe, but we may be disposed as before to be glad to open up negotiations for the accomplishment of peace without further delay. The best peace solution appears to be something in the nature of a compromise, and we hope that peace may be reached but never in all the years and a half ago. He has exposed the Aus-

WILD MEXICAN RUMORS.

The American people have not the slightest understanding of Mexico. Few American

chaotic rumors are coming and will be spread about what Carranza is doing. The news was
