Latest News in the Educational World of Parents, Teachers, and Pupils

TEACHER’S TIME DEFINITELY SET IN NEW RULES

May Be Required to Stay at School More Than Six Hours a Day.

SCHOOL FOR LONGER PERIOD

Clarks’ Service is Here More—Technical Instruction, 7 Hours and 30 Minutes.

The teachers have exactly how many hours in required of them. Classes are in order for five hours a day and the instruction is at three places for some cases before and after two periods, and they frequency are last to read two hours of papers or notice of them. They are required to be at the Board of Education office every morning at 8:30 and be back in their respective schools at 10:00 a.m. Other teachers are required to be at their respective schools at 10:00 a.m. Under these rules, every effort is made to reduce the number of days required to complete the work of the school. The new rules are expected to be adopted by the Board of Education at its next meeting, which is to be held on Wednesday, September 20th.

TRUANT SCHOOL TEACHERS NEEDED

Candidates to Be Given Oral Test Only.
