**Extraordinary Bargains in
 DINNER :- SETS.**

We are bound to close out stock before New Years if we have to sell them without any profit, for we
 would prefer first cost in cash to any Dinner Set we have in our store. Our sets are all marked in plain
 figures, and till JANUARY 1st, we will give you 20 per cent. Discount on all sets, if cash accompanies the
 order.

All parties who have taken advantage of the cut prices on Piano and Banquet Lamps
 the past week know that WE MEAN BUSINESS, and no one need try to meet us, for they
 have not the goods nor prices, as we import our goods, saving 20 per cent. in the cost, which
 we give to our customers. Get prices in any city or any store in our own city, and we will
 beat it at 20 per cent. We have a few T & R. Boole Porcelain 100 piece Dinner Sets that
 we will sell as long as they last for \$7.50, and bear in mind they are perfect goods.

We carry in stock a new open stock patterns of Decorated Ware which you can buy by
 the single piece or set, and match up for years to come as readily as white ware. Ask any of
 our so-called competitors how many patterns they carry, and you will confuse them at once.

Do not buy anything in our line till you see our stock and prices.
