D. L. DODGE.
99 Genesee-st., Auburn.

Dec. 1, 1857.

The following remedies are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and a power to uproot disease beyond any thing which men have known before. By removing the obstructions of the internal organs and stimulating them into healthy action, they renovate the fountains of life and vigor,—health comes to a view through the body, and the sick man is well again. They are adapted to diseases, and diseases only, for when taken by one in health, they produce but little effect. This is the true perfection of medicine. It is a benefactor to disease, and no more. Tender children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.

Give them to a one patient who has been prostrated with billious complaint; see his head up tottering form straighten with strength again; see his long lost appetite return; see his clammy features bloom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores, who stands, or sits, or lies in anguish. He has been drenched inside and out with every panacea which ingenuity could suggest. Give him these PILLS, and mark the effect; see the scales fall from his body; see the new, fair skin that has grown under them; see the late leper that he is clean. Give them to him whose angry humors have planted rheumatism in the joints and bones; move him, and for correctness with pain; for, too has long smoked through every muscle of his body with inflamation and salve; give him these PILLS to purify his blood, they may not cure him, for, alas! there are cases which no mortal power can reach; but mark he walks with crutches now, and now he walks alone, they have cured him. Give them to the lean, sour, haggard dyspeptic, where knowing stomach has long ago eaten every smile from his face and every muscle from his body. See his appetite return, and with it his health; see the new man. See her that was ruined with wealth and loveliness, blasted and too early withering away; wan of exercise or mental anguish, or some lurking disease, has deranged the internal organs of digestion, assimilation or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these PILLS to stimulate the vital principle into renewed vigor, clear out the obstructions, and infuse a new vitality into the blood. Now look again—the roses bloom on her cheek, and where lately sorrow sat, joy buries from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the PILLS in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. In it nothing to do these things? Nay, or they not the marvel of this age? And yet they are done around you every day.

Have you the less serious symptoms of these disorders, to wit: are the easier cured, Jaundice, Costiveness, Headache, Sickness, Heartburn, Foul Stomach, Nausea, Pain in the Bowels, Flatulency, Loss of Appetite, Kings Evil, Neuralgia, Gout, and a multitude of complaints all arise from the derangements which these PILLS rapidly cure. Take them yourself freely, and under the counsel of a good physician if you can; if not, look them judiciously by such advice as we give below, and the disturbed, disorganic causes they cure, which afflict mankind millions of the human race are cast out like the devils of old—they must harrow in the desert and in the sea. Price 25 cents per box—5 boxes for $1.

Through a trial of many years and through every nation of civilized man, AYER'S CHERRY PECTORAL has been found to afford more relief and to cure more cases of pulmonary disease than any other remedy known to mankind. Cases of apparently settled consumption have been cured by it, and thousands of sufferers who were deemed beyond the reach of human aid, have been restored to their friends and neighbors, to sound health and the enjoyments of life, by the all powerful antidote to diseases of the lungs and throat—there a cold had settled on the lungs. The dry, hacking cough, the glassy eye, and the pale, thin features of him who was lately lusty and strong, whisper to all but him, Consumption. He tries every thing; but the disease is gnawing at his vitals, and shows its fatal symptoms more and more over all his frame. He is taking the CHERRY PECTORAL now; it has stopped this cough and made his breathing easy; his sleep is sound at night; his appetite returns, and with it his strength. The dart which pierced his side is broken. Scarcely any neighborhood can be found which has not some living trophy like this to shadow forth the virtues which have won for the CHERRY PECTORAL an imperishable renown. But its usefulness does not end here. Nay, it accomplishes more by prevention than cure.—The countless colds and coughs which it cures are the seed which would have ripened into a dreadful harvest of incurable diseases. Influenza, Croup, Bronchitis Hoarseness, Pleurisy, Whooping Cough, and all irritations of the throat and lungs are easily cured by the CHERRY PECTORAL if taken in season. Every family should have it by them, and they will find it an invaluable protection from the insidious prowler which ravages of the parent sheep from many a flock, the darling lamb from many a home.

Authenticated evidence of these facts, with directions for the treatment of each complaint, may be found in Ayer's American Almanac, of which we publish three millions, and scatter them broadcast over the earth, in order that the sick everywhere may have before them the information it contains. Druggists and dealers in medicine generally have them for distribution gratis, and also for sale these medicines, prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

For sale by all druggists in Auburn, and throughout the United States and Canadas,

MORE TO BE ADMIRED THAN THE

RICHEST DIADEM

EVER WORN BY KINGS OR EMPERORS

What! Why a Beautiful Head of Hair.

Because it is the ornament *God himself provided for* all our race. No lady, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be as those of pearls, if the head is be reft of its covering, or its hair be shrivelled, shrunk and dry or worse still, if sprinkled with gray, makes will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore lost personality to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Vienberg

DR. WOOD:— New York, April 19, 1858

*Dear Sir*:—Permit me to express to you the obligations I am under for the entire restoration of my hair to its ought at color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative its color resumed its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,

CHALBERG.

PROF. O. J. WOOD:—*Dear Sir*,—Some month or 1a weeks ago I received a bottle of your Hair Restorative and gave it to my wife, who consented to try it on her hair, little thinking at the time that it would restore the grey hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the grey hairs to a dark brown, as the same time beautifying and thickening the hair. I strongly recommend the above preparative to all persons in want of such a change of their hair. CHARLES GARDEW.

NEW YORK, July 25, 1857.

PROF. O. J. WOOD: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw since using your Hair Restorative my hair and whiskers which were almost white have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching so common among persons who perspire freely J. G. KILBY.

PROF. WOOD—About two years ago my hair commenced falling off and turning gray. I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last—A few applications checked my hair firmly. It began to fill up, grow out, and turned back to its former color, (black.) At this time it is fully restored to its original health, and appearance, and I cheerfully recommend it its use to all. J. D. HOES.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for $3.

### THE NEW YORK TRIBUNE,

1858-59.

THE NEW YORK TRIBUNE, now more than seventeen years old, which was the first journal in the world that appeared regularly on an imperial eight-page sheet at so low a price as two cents, and which has attained the unparalleled aggregate of more than 200,000 subscribers, respectively solicits its share of the patronage which the Metropolitan Press is henceforth to receive.

Within the present year The Tribune has provided itself with a new and fast Press, at a cost of $20,000; mainly that some of our subscribers may receive their papers a small earlier than they otherwise might do.—With correspondents at the most important points throughout the civilized world, and a staff of writers chosen from among the best in the country, we believe that even those who dislike the politics of our sheet concede to it the frankness in avowing its convictions and ability in maintaining them. The Daily Tribune is printed on a large imperial sheet, and published every morning and evening (Sunday excepted) and mailed to subscribers for six dollars per annum in advance; $3 for six months.

The Semi-Weekly Tribune is published every TUESDAY and FRIDAY, and contains all the Editorials of the Daily with the Cattle, Horse and General Markets reliably reported expressly for the Tribune; Foreign and Domestic Correspondence, and during the coming session of Congress it will contain a summary of Congressional doings with the more important speeches.—It will also contain a first-class Novel, continued from number to number, thus affording a first rate newspaper to those who prefer not to take a Daily.

## MEDICAL.

# ONE DOLLAR

WILL BUY

ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, viz., **Dr. Sanford's Invigorator or Liver Remedy** that contains a Cathartic, castor, jalap and more effectual than any other medicine known. It is not only a Cathartic but a Liver Remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses will strengthen and build up the system with unusual rapidity.

**Dr. Sanford's Invigorator** is compounded entirely from new articles of medicine, namely, Gums.

Some idea of the strength of these gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred doses of Calomel, without any of its debilitating effects.

Though possessing rare medicinal powers, these gums have been but little known to physicians and never used in their prescriptions until used in the form of the Invigorator, which met with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known in its effects. It has rarely ever failed to cure Liver Complaints in their worst forms.

**Indigestion** being caused by a deranged Liver is cured when the Liver is excited to action.

**Jaundice** is caused by an improper action of the Liver, and as a proof that the Invigorator relieves this disease, let any one troubled with Jaundice take the Invigorator regularly one week, and their skin will begin to assume its original color.

**Costiveness** can be permanently cured by the Invigorator. Take it for a small dose on retiring, and it assists nature in her operations. By gradually diminishing the dose, the bowels are left in a healthy and active state, and work as regularly as clock work.

**Sick Headache** is very soon relieved by taking a double dose of the Invigorator, which corrects all acidity and sourness of the stomach.

For an overloaded stomach it has no equal, as it relieves all oppressive and uneasy feeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

**Dr. Sanford's Invigorator** comes to us recommended as a cure for Liver Complaints, and all diseases arising from a diseased Liver. The testimonials of so many of our Physicians in its favor is indeed to us to trust, and now conviction is certain that it is one of the greatest blessings ever given to dyspeptics, for it never is complete cure before the first bottle was taken and now we can eat anything edible without trouble, while before nothing but the lightest food would digest, and often that gave pain. Now what we want to say to all our readers is, if Liver complaint or Dyspepsia trouble you do not fail to try this the greatest remedy in the world.—*State Fact.*

We take infinite pleasure in recommending this medicine as a preventitive for **Fever and Ague, Chill Fever, and all Fevers of a Bilious Type.** It operates with certainty and thousands are willing to testify to its wonderful virtues.

There has never been a trial in our family a remedy which has met with such unbounded success as the cure of diseases mentioned as **Dr. Sanford's Invigorator**; nor is it alone for diseases of children that we use it; for it is as a Cathartic so mildly and gently, and so eradicates the system that we think we are doing a service to all in advising them, when they need medicine, to try this remedy. There are cases that have come under our notice
