

### Carlings Topple Milkmen 4 to 3

Capitalizing on their opponent's errors the Carlings Red Cappers look over first place in the Canton Softball League Thursday night as they defeated the second place Judson Heights Milkmen 4 to 3.

Carlings scored twice in the second inning as Pete Griswold reached second as Buck Barton followed with a single to score Griswold. Blanchette walked and Frank Segar hit a routine ground ball to Gene DeVecchio. Del Vecchio tried to tag Finagan sliding into third but was late. With the bases loaded Bill Cressy grounded out short to first with Finagan scoring. Don Mayhew struck out to end the inning.

The Milkmen tallied once in the third as Jack Elmer was safe on the second baseman's error. Barton singled sending Elmer to third and Oscar Cochi singled to score Elmer with Barton moving to third and Cochi to second. Sam Samsel then filed to deep centerfield and Bill Cressy fired a perfect strike to the plate to nip Barton.

Carlings added two more runs in the fourth as Finagan singled and Blanchette was safe on an error. Both runners scored on Segar's base hit to left field.

In the fifth Skip Patterson walked, Elmer forced him at second. Barton followed with a single sending Elmer to third. Cochi singled to score Elmer and Barton followed across the plate as the throw from the rightfielder got away from the catcher.

In the last of the seventh the Milkmen threatened as Charlie Clark batting for John Finagan doubled off the short fielder's glove but both Patterson and Elmer popped up to short to end the game.

### Recreational Activities

The total attendance at the Canton Recreational facilities during the week of July 22-28 was 3,768. This has been the largest attendance recorded to the present time. The total attendance at the new recreational park and beach was 2,934 with the highest count on Tuesday, July 24, of 800 people.

The attendance at the Recreational playground was 855 from July 23-27. The highest daily attendance was on Thursday, July 26, when 250 children were present. The highlight of the week's activity was the "play day" with Gouverneur at the local recreational facilities. The special event on the playground was the "Festivities contest" held on Friday, July 27. This was the 4th in a series of 7 special events scheduled for the Canton playground.

Work on the playground, craftstrip work with rings, bracelets and lanyards was popular. A special project was undertaken in which various forms of insects were woven from the craftstrip. Scrap books are being made which will be given to the new hospital for the children's ward. Yarn dolls, to be used as curtain pulls, were results of the past week's activity. Hot dish holders will be started this week, and these also will be given to the new hospital for use in the diet kitchen.

This week most of the time will be devoted to the preparation for a circus which will be held on Friday in the school yard. A parade will be held beginning at 10:15. The junior band will lead the line of march with Mr. Nicholas Barbero as director.

In the junior baseball league the Chiefs and the Browns are tied for the 1st and 2nd place. The Dodgers are in 3rd place. The Cowpokes are in 4th position. This week the Canton Recreational groups will travel to Potsdam on Wednesday, Aug. 1, at 9 a. m. for an all day program of baseball, girls' softball and a swim meet with the Potsdam groups. On Wednesday, August 8, Potsdam will visit Canton for an all day outing and recreational competition.

At the new Canton Recreational park on the Miller street road about a half mile outside the village limits, 3 fire places have been constructed and are now ready for public use. Cement blocks for these fire places were donated by a local business man. A few picnic tables are also available in the area.

A Junior Life Saving course, 15 hours in length, will begin Thursday, August 2, at 3:30. A Senior Life Saving course, 15 hours in length, will begin Monday, August 6, at 4:15. Any one interested in taking these courses should sign up with the beach supervisor, Paul Hayden. Anyone 12 and over is eligible for Junior Life Saving. Those 16 and over may qualify for Senior Life Saving.

The summer recreational program will continue through Sunday, August 19, with the final and climactic event the annual aquatic carnival.
