AGENCY OF THE NEW-YORK

CANTON TEA COMPANY.

The Oldest Tea Establishment in America!

PRINCIPAL ESTABLIHMENT IN NEW-YORK.

THE CANTON TEA COMPANY has been popularly known for many years. This is the largest and oldest Tea Establishment in America. The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent their two principal establishments in New York, viz:

125 Chatham and 163 Greenwich Sts.

They moreover possess facilities, in relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined to sell Teas purer, more fragrant, and perfect for the prices, in aggregate, than any house in the world—China excepted.

They most zealously invite the attention of the inhabitants of the above place to their Agency, where the following assortments are always on hand; and they feel no hesitation in stating that wherever a single trial is made, every great reference will be given to the celebrated Teas of the Canton Tea Co.

☞ Reader, make the experiment!

☞ TAKE NOTICE!—THE CANTON TEA COMPANY are the EXCLUSIVE venders of the superior Tea called "HOWQUA'S MIXTURE." They introduced it into America in 1840—and every person professing to sell the same at all—much less at a low price—deceive the unwary, as the public themselves will prove, by comparing the spurious with the genuine "Howqua" vended by the Canton Tea Company.

Every package (in addition to containing its FULL WEIGHT, independent of the wrapper) bears the stamp [illegible] and elegance, and the Teas therein are so thoroughly secured from light and air, that their quality and power [illegible] unimpaired in any climate.

Beautiful Ringlets, are insured to every LADY BY THE USE OF A

Brazillian Hair Curling Liquid.

TO Gentlemen it makes the Hair set in such position as their tastes may dictate. This elegant preparation has been tested by many ladies and gentlemen in New York, Philadelphia, Washington, Baltimore and other cities of the United States, it is both useful, and excellent, it curls the hair beautifully, resembling nature in her greatest perfection; it is entirely free from grease and warranted not to injure it in the least. No Ladys Toilet, or Gentlemens' dressing case should be without it, if you value

'The Flowing Ringlet or Witching Curl,' as its use dispenses with heated Irons, which injure the hair by crisping and burning it.

The Brazillian Curling Liquid is agreeably perfumed, in color it favors the Lemon.
