Aviatrix Won't Talk About Trip

SHANNON, Ireland (AP) — Veteran American pilot Louise Sacchi today refused to talk about her solo flight of the Atlantic in which she had to call for help.

"I don't want to talk about this trip," said Miss Sacchi. "I want to forget all about it."

The pilot — who has flown the Atlantic 45 times and is the first woman to fly solo — is delivering a small American-made plane to a buyer in Germany.

Shannon airport officials said they were alerted just before midnight that Miss Sacchi's plane was in trouble about 1,000 miles off the Irish coast.

Flying eastward from St. Pierre, Newfoundland, she signaled that the plane's oil pressure was down and the engine heated up. Shannon officials said she then circled the weather ship Charlie for about an hour.

After her report, a Hercules plane of the U.S. Air Force's 67th Air Rescue Squadron, based at Prestwick, Scotland, flew to her assistance and escorted her to Shannon, where she made a perfect landing after 14 hours in the air.

On landing, Miss Sacchi said the trouble on the plane had corrected itself. She said she had not asked for help, but had reported on the temporary abnormal condition of the plane's engine.

Miss Alpert, Dr. Weaver Plan Summer Wedding

Local DAR Plans Jubilee Card Party

Oneida Chapter, Daughters of the American Revolution, joining other chapters throughout the country in celebrating National DAR's 75th anniversary, has announced that plans are complete for its "Diamond Jubilee" card and fashion party.

THE EVENT, that also will include luncheon and a bake sale, is slated for 11:30 Wednesday in Twin Ponds Golf Club. Mrs. Willard N. Flack is the chairman, and Mrs. J. Phelps Anthony is co-chairman.

Those to model: Mrs. James R. Arlott, Mrs. Anthony, Mrs. Robert Burchesky, Mrs. Bryan Husted, Mrs. Philip B. Husted, Mrs. Carol Hensel, Mrs. Richard Legro and Mrs. Howard Partlow.

ONEIDA CHAPTER contributes to the support of two schools, owned and operated by its national society. They are the Kate Duncan Smith DAR School in Grant, Ala., and the Tamassee (S. C.) DAR School. It also helps to support two Indian schools—Bacone (Okla.) College and St. Mary's School for Indian Girls, Springfield, S. Dak.

Further, the local chapter helps to provide many college and nursing scholarships to Indian students. Locally, it awards grants to students and conducts numerous other projects for them. Proceeds from Wednesday's party will help support these various programs.

How to Serve

An average serving of cooked meat is 3 1/2 ounces but for most people this looks rather small. A more realistic guide suggests allowing 1/2 to 3/4 pound fresh, uncooked meat per serving if the meat has bone in it. For boneless meat, fresh, uncooked, allow 1/3 to 1/4 pound.

Keep these figures in mind when you select meat at the retailers.

Cherubs—Male Or Female?

By Abigail Van Buren

DEAR ABBY: Regardless of how an artist may portray cherubs, they are neither male nor female. Sex exists only on earth due to God's commandment to "multiply and fill the earth." (Genesis 1:28). However, the angels (or cherubs) were created by God through Michael the Archangel. Since the angels were direct creations, and there was no need for them to reproduce, there was also no need for them to be one sex or the other.

A MINISTER'S WIFE

DEAR ABBY: You ask, "Are there little girl cherubs, or are cherubs only boys?" I am pleased to solve this mystery for you. In the National Museum in Stockholm, there hangs a famous masterpiece titled "Sacrifice to Venus," painted by Rubens in 1628. It clearly shows little boy cherubs, embracing little girl cherubs unless, that is, someone has defaced the canvas. "OBSERVING"

DEAR ABBY: Some years ago while working in a small Presbyterian church, I directed a Christmas pageant. My girl friend was performing the same task for the Baptist church. She had given the role of the angel Gabriel to a man. I gave that part to a woman. Afterwards we debated about who was right. I asked our minister and he replied, "Angels have no sex." Since cherubs are angels, that should answer your question. M. D. G.

DEAR ABBY: Ignoring for a moment the sex of a cherub (according to the Bible they

are neuter) another serious error was made in describing the cherub as a "chubby, angelic-looking child." In I Kings 6:23, the size of a cherub is described to be "10 cubits in height." (A "cubit" is an ancient measure of about 18 inches, or the length from the forearm to the wrist.) This makes a cherub stand approximately 180 inches, or 15 feet tall! The first mention of cherubs is in Genesis 3:24 which says, "and so He drove the man out and posted at the east of the garden of Eden the cherubs and the flaming sword that was turning itself continually to guard the way to the tree of life." In order to be a guardian of the tree of life, these cherubs had to be mature men — not chubby infants. Thank you.

BIBLE STUDENT

DEAR ABBY: The art teacher who said all cherubs were male was absolutely correct. A cherub, which is a class of angel, is of the male gender in both the Old and New Testament. All angels are "he's" — never "she's." Check your Bible.

THEOLOGIAN

DEAR ABBY: You are not likely to find any girl cherubs (or cherubim) since the Hebrew word "cherub" is a noun of masculine gender. According to the Hebrew grammar, a girl cherub would not be a cherub at all, but a "cherubah." And the plural of "cherubah" is "cheruboth" — not "cherubim," which is the plural of "cherub."

DO YOU TAKE VITAMINS AND STILL FEEL TIRED?*

If you take vitamins, yet still feel tired—you may need more than vitamins to restore your normal strength and energy. That's because your worn-out feeling may be due to iron-poor, tired blood. Vitamins alone can't build up iron-poor blood. But GERITOL can! That's because GERITOL not only contains 7 vitamins but, in addition, supplies the amount of iron needed to build iron-rich red blood. Just 2 GERITOL tablets, or 2 times power of GERITOL liquid, contain the iron needed to build iron-rich red blood. Seven times the iron in a pound of spinach! In only one day, GERITOL is in your bloodstream carrying strength and energy to every part of your body!

Proved by Medical Test! Patients diagnosed with iron-deficiency were often pale, nervous, and easily tired. After patients took GERITOL daily, doctors reported definite clinical improvement.

Check with your doctor. If iron-poor blood is making you tired, take GERITOL. Feel stronger fast—in 7 days—or money back from GERITOL.
