SEVEN ROUNDED UP IN INQUIRY INTO FLUSHING THEFTS

Illegal Entry - Charges Held 2, 5 Others Held As 'Foenses'

An investigation by detectives has led to the arrest of seven persons, including the accused workers, in connection with a series of burglaries and thefts in the Flushing district. The arrests were made at the instigation of the Flushing district attorney, who has been actively engaged in the investigation.

The accused persons included six men and one woman, all of whom have been charged with the theft of money, jewelry, and other valuables.

HALF CASH NOT ENOUGH

The government has rejected a proposal for a $50 cash payment to the workers of the 22 oil companies, who have been arrested.

The government believes that a $50 cash payment is not enough to compensate the workers for the loss of their property.

OLD WORLD TIES ELECTION FACTOR

The election of a new President is expected to be influenced by the old world ties of American voters.

The old world ties of American voters have been a factor in previous elections and are expected to be a factor in this election as well.
