SPECIAL ACTIVITY AT LOCAL AIRPORT TOMORROW

L. B. Parkard, manager of the local airport, has arranged a special display of stunt activity at the terminal in connection with the opening of the new shell station. Plans are under management of B. G. Thompson.

Lettie Harper of New Bay is over again at the airport, said she and Mrs. Thompson have been here all week. Mrs. Thompson has an airplane on the ground and will be here again next week.

The display will consist of a number of stunt pilots, including the famous John P. Logan, and a number of other pilots.
