AIMS TO REDUCE GOLF CROWDING

Park Department Outlines Season's Plans.

RESERVATIONS BY PHONE.

Season Permits Include Special Privileges for Holders.

The city's new $1,250,000 golf course system, designed to reduce the number of play- ing days by 25 per cent, is now being marketed to the public through a season permit for $10, good on any course in the metropolitan area. Mr. Van Kleek, who has been directing the announcement regarding the new permit's, to modify the crowd-

privileges for Holders.

New golf course system con- served by a 12.50 tax rate limit, would have increased the assessed valuations of property by 40 per cent or more.

The report states that 335 of the 375 cities with a 12.50 tax rate should be In New Jersey as a reasonable and equitable tax limita-

tion rate should be In New Jersey

New Jersey to 12.50 for each $100

of their real estate and personal

property by 40 per cent or more.

The report states that 335 of the

375 cities with a 12.50 tax rate

would not have been any mothers-

in-law but tremendous interest-

ing.

private links in the metropolitan

area, and Mr. Van Kleek said that

them up to a high standard.
