EMERSON FAMILY—Charles Emerson, 81, and his wife, Margaret, 76, celebrated their 57th wedding anniversary with their daughter, Wilma Eisele. The church held a special service for the couple. The service was attended by family members from both sides of the family.

Thieu Claims Enemy Losing War Militarily

RICHARD PERRY

By Richard Perry

A second round of the Vietnam War is not far off, President Thieu said today. The United States has not been able to turn the tide militarily, he said. He added that the United States had been unable to stop the North Vietnamese from moving to the South.

North Vietnamese troops met little resistance but faced an American-led counterattack.

Troops Meet Little Resistance But Face Counterattack

By GEORGE HOPPER

WASHINGTON (AP) — Thousands of North Vietnamese troops crossed the 17th Parallel into South Vietnam last week, reportedly without meeting much resistance. The attack comes as the United States is planning to send more troops to Vietnam.
