In the opening scene are those who are familiar with the name, who know the story of David Kemp. And it is true! It is about the story of a man who had an understanding of the technique of music and who appreciated its value in his life. For the farmer's son had no desire to follow the path of his father. He was determined to find a new path, one that would lead him to a better understanding of the world and its mysteries.

In his late fifties, is no longer active in the institution. But let us go back to David Kemp when he lived in Boerum Hill. There, he became a law clerk, a job he had been doing for several years. After reading law for a number of months, he began to work on the job and eventually set to work on the job. He was a law clerk, a job he had been doing for several years.
