Venekze, 11, Frank Island, N.Y., Sept. 20—George Spitz, the New York A.C. high jumper, was not feeling well—said his legs were stiff—and he did not expect to do much at the national 3-4 mile meet at the Armory here today. He dropped out in the 3:53 1 5/5 interval and came in 10th—where he would have been a new record—4 feet 8 inches.

The event started herculean and even the A.A.U. haven’t stopped taking as stiff as some of the German, but Spitz has never been well and he talked of a new world mark for the running jump. He had cleared 3 feet 7 5/16, and showed signs by 1:55 to clear what would have been a new record—4 feet 8 inches.
