New Library Books Cover Wide Variety of Subjects

Vanishing tribes, a Sections War, interesting children and the Cuban missile crisis are among subjects of books added recently to the Cortland Free Library's adult book collection.

The new additions, all books below, may be borrowed after March 15:

Robert Bereznai, Henry Al-•

"Anatomy of Ideology" in the form of a well-researched and balanced book that provides a good introduction to the political philosophy of the Communists.

Fiction

Theodore furn, R. E. Carter: "Ab-

sence and Invisibility" in the form of a well-researched and balanced book that provides a good introduction to the political philosophy of the Communists.
