Ilion Local Ratifies Rand's Package Offer

ELOI--A large majority of the more than 300 members attending the annual Local 308, AMM, convention last Monday, was solidly behind the offer of the Rand Division of Sunset Bread to Mohawk Area's 1,000 members.

the

WILLIAM, 60, former Mohawk resident, and noted miner, died recently in this city. In 1957, just short of his 70th birthday, Edsall was named an honorary member of the Mohawk Area of ILCA. He had been a member of the ILCA since 1935 and had been a regular at many social affairs and events of the Tag Character. He had been inducted into the ILCA in 1935.

John was born in 1897 in the Mohawk Valley, the son of William and Mary Edsall. He grew up in the mining town of Herkimer and graduated from Mohawk High School in 1915. After living in the mines for 10 years, he moved to Detroit, where he worked as a miner and a carpenter. He returned to Mohawk in the 1930s and was active in the ILCA for many years.
