State Acquires Estate for New Park Site

The State of New York has purchased 1,963 acres of farmland at Hyde Hall, near Cooperstown, for $9,600. The land is part of the Town of Otsego, site of the construction of the New York State Conservation Commission's new headquarters building.

The tract also includes the Cooperstown-East Springfield Road and the Unadilla Forks Road. The land is located on the east side of the Unadilla River, west of the New York State Conservation Commission's headquarters building.

The land will be used for the construction of the New York State Conservation Commission's new headquarters building. The building will be located on the north side of the Unadilla River, west of the New York State Conservation Commission's headquarters building.

Cooperstown ZIP Code number 13326.

Memorial Day Rites Are Held In Cooperstown

"In Memory of the Brave Men and Women Who Served in Our Country" was the theme of the Cooperstown Memorial Day ceremony.

The ceremony was held at the Cooperstown High School Auditorium. The keynote speaker was Lt. Col. Frederick H. McGown, Jr., of the U.S. Army Air Forces. The ceremony was presided over by Lt. Col. James E. White, of the U.S. Army Reserve.

The ceremony was attended by members of the public, including local veterans, members of the Cooperstown Chapter of the American Legion, and members of the Cooperstown Post of the Masonic Order.

Appeals Court Restores Cut in Widow's Award

The New York State Court of Appeals has reversed a decision by the Appellate Division, which had restored a widow's award for damages.

The widow, Mrs. Frances H. Anderson, was awarded $25,000 in damages by the Appellate Division, but the Court of Appeals reversed that decision, saying that the damages were too low.

Better To Settle

A committee of the National Association of Public and Private Utilities has recommended that states settle all pending legal disputes with public utilities.

The committee, which includes representatives of the American Bar Association, the National Association of Public Utilities, and the National Association of State Legislatures, has recommended that states settle all pending legal disputes with public utilities.

Campbell Says 'Expand Highway Program Now'

"We need to expand the highway program now," said the state's transportation commissioner.

The commissioner, Mr. Campbell, said that the state's highway program is not sufficient to meet the needs of the state.

Cooperstown Area Master Plan

The Cooperstown Area Master Plan was presented to the Town of Otsego, site of the construction of the New York State Conservation Commission's new headquarters building.

The master plan, which was developed by the New York State Conservation Commission, includes a number of suggestions for uses of the property.

The plan includes suggestions for the use of the property as a park, a museum, and a research center.
