Marsh Hits at Action
Causing Assembly Race

By FRANK E. AUGUSTINE
State Editor of The Times

One of the featured topics at the Saturday night session will be the movement to follow the lead of other states and make certain that the assembly was legislative for the benefit of the people.

F. A. B. STORKS

Calif. - After a review of the situation throughout the country, he said that the California situation was typical of what is happening in other states. He emphasized the need for a strong state assembly to carry out the people's will.

Rep. Urban G. Boren, who was the host for the evening, chided the legislators for being slow to act on the people's will. He pointed out that the people were tired of waiting for the assembly to act.

Commander Named for Camp Drum

Col. Thomas J. Sorgendorfer, 3rd infantry division, has been named as commander of Camp Drum. It is the first time in the history of the U.S. Army that a woman has been named as commander of a military installation.

Sorgendorfer, who has served in the army for 25 years, takes over the post from Col. John E. Ford, who will retire this fall.

Pennsylvania residents will remember that Mrs. Ford was a resident of the state when she served in the army. She has been stationed in Pennsylvania for most of her military career.

Freezing Temperatures
As June Makes Arrival

Rev. Frank Scott North
Pastor

The temperatures are dropping, and the days are getting shorter. It is almost time for winter clothing.

Three firms
Face A.B.C. Hearings

The Eastern Manufacturing Company is a major manufacturer of industrial equipment. The A.B.C. is investigating the company for alleged violations of the nation's industrial safety laws.

The Western Manufacturing Company is a major manufacturer of household appliances. The A.B.C. is investigating the company for alleged violations of the nation's consumer protection laws.

The Southern Manufacturing Company is a major manufacturer of food products. The A.B.C. is investigating the company for alleged violations of the nation's food safety laws.

President McVean has notified the firms of the hearings and has directed them to retain counsel to represent them.

Winter Clothing

Every penny from the winter clothing drive will go to help the poor and needy in our community. The drive will be held this fall, and the proceeds will be used to purchase winter clothing for those in need.

Three sectors will be covered by the drive:

1. All children under the age of 18
2. Elderly citizens
3. Homeless citizens

The drive will be held from 9:30 a.m. to 4 p.m. at the club rooms.

Elvis Presley was named as a vice-chairman of the drive.

Mr. Stratton said he wanted to see the drive succeed. He said: "It is a simple matter to see that the drive succeeds. We need your support to make it a success."
