RESTLESS AND AGRIT: VIOLENTATIONS AT THE GARDEN.

The State Fair Commission charges that the President of the state Fair has used his position to influence the fair in favor of his friends and enemies. The commission was called together by the Governor yesterday afternoon to discuss the matter.

AUGUST W. H. CUMMINS, in an address delivered before the Board of Trade at noon yesterday, said that the purpose of the fair was to promote the interests of the state.

"The majority," he said, "is always right, and I am convinced that the fair is doing a great deal to promote the interests of the state."

"I have been asked by many of the fair commissioners to resign," he continued, "but I am not going to do it. I am going to stay and fight for the fair."

AUGUST W. H. CUMMINS' address was interrupted by a loud outburst from the audience. A few minutes later, the commission adjourned.

THE CITY HAS ASKED THE GOVERNMENT FOR MILITARY SUPPORT.

The city of New York has asked the government for military support in its efforts to contain the gang war that has broken out in the city. The mayor said that the city was unable to handle the situation on its own.

"We have asked for military support," he said, "and we are waiting for a response."

"We are dealing with a situation that is beyond our control," he continued, "and we need the help of our federal government."
